Hearing God

Hearing God

30-Day Prayer Adventure (part 2)

Acts 2:1-18

Does God really want to speak to me?

God wants to _____ to you,
perhaps even more than
you want to _____ from Him!

How do I know if it is God speaking to me?

☞ The _____ & _____ of Discernment

(continued on back)

Acts 2:1-18

☞ The greater the _____, the greater the need for _____

How can I grow in my ability to hear God?

- ☞ Spend daily time with God
- ☞ Regularly read God's Word
- ☞ Increase your obedience quotient
- ☞ Lower the ambient noise in your life
- ☞ Take periodic extended times of silence & solitude
- ☞ Read good books from people who hear God
 - The Power of a Whisper- Bill Hybels (though I was hesitant to recommend this because of the recent allegations against Hybels, yet it still is a great book to begin with)
 - Surprised by the Voice of God- Jack Deere (very practical and very readable)
 - Hearing God-Developing a Conversational Relationship with God- Dallas Willard (very thought-provoking)
 - Walking with God- John Eldredge (very relatable)
 - The Gift of Prophecy- Wayne Grudem (deeper theological treatment of this subject; this was Grudem's doctrinal thesis)

Conclusion
